Welcome

Welcome to **Hout Bay Villa** perched high on the mountainside, in the Republic of Hout Bay (as the locals affectionately call it) with views all the way to the Kommetjie Lighthouse. Hout Bay is a beautiful seaside valley surrounded by majestic mountains and fringed by pure white sand along the extensive bay. It offers some of the most beautiful scenery in the world.

This family friendly, luxury Villa is a fully furnished holiday home with a fully equipped kitchen. The house offers four bedrooms, four bathrooms and sleeps up to eight guests.

The Villa is close to all amenities, there are a variety of restaurants nearby and the beach is a mere 1.5km's away.

So, whether you're in the mood for relaxing holiday vibes or more adventurous ones (or both) Hout Bay Villa is the perfect holiday home to enjoy scenic nature in luxurious comfort and style.

This quaint harbor on the western side of the **Cape Peninsula** has a seaside charm that attracts both travelers and locals to its sheltered shores. Whether it's sampling ocean-fresh seafood from one of the restaurants lining its harbor or exploring the shelves of world-class antique shops, Hout Bay has proved itself a worthy destination despite its small size. Visitor's love wandering along the bustling docks where commercial fishing boats unload their daily catch, and its close proximity to Seal Island and World of Birds makes it a perfect lunch stop on a tour of the Cape.

- Turn left in Johan Road, which turns into Marais Road
- Follow the steep road to the top of the hill, the road turns into Andrews Road
- 52 Andrews Road is the 3rd house on the left

Dishwasher

It is not necessary to clean the house before departing but please do your own dishwashing as you go along. A dishwasher has been provided for your convenience. It is recommended that the dishwasher is used only once a day. Dirty dishes get more difficult to clean with age and mildew quickly at the coast.

Garbage

There is a bin provided in the scullery room, under the sink, and a black bin in the courtyard, outside the scullery door. Please use the bin bags provided for these bins.

Should your bins in the scullery get full, there are two large bins outside the garage doors, just off the curb and are supplied by the City Council. These bins are emptied by The City every Wednesday morning.

Alternatively, the cleaners will take the garbage to the bins when they clean the house.

Cleaners & maintenance

Cleaners

If you would like a cleaner to come in during your stay, please contact Elize and she will arrange for you. Please ask for a quote first and pay the cleaners directly

Gardner

The Gardener comes in once a week on a Wednesday, your Host will open for the Gardener in the morning.

Pool Service

Star Pools Pool Service comes in every Monday for general pool maintenance. Your Host will open for the Pool Service once they arrive.

There is a safety net provided for the pool and should be left on when the pool is not in use or there are small children present. Please note: The pool is to be utilized at your own risk.

Should you require any assistance regarding the pool please contact either Elize or Star Pools on 082 510 4952.

Outdoor cushions

All outdoor cushions must be brought indoors and left in the braai / patio area, during bad weather - and when you leave. Please remember - if you don't take care of them they will be left outside until the cleaners come and they are expensive to replace!

Glass stacking doors

The glass stacking doors leading out to the pool area is quite tricky to open, please be gentle as you open each glass panel and do not force open as this can break the rails and is very expensive to repair. Should you require any assistance please contact Elize.
