## Welcome

**Breede River Valley** is known for being the largest fruit and wine producing valley in the Western Cape, as well as South Africa's leading race-horse breeding area. It is part of the Boland bordering on becoming Little Karoo towards the east.

This luxury home on the banks of the Breede River offers a peaceful haven with picturesque views of the Breede River Valley.

The home is fully equipped for luxury and convenience. So, kick back, and discover this adventurous area and experience how unique the River Edge is with its breath-taking views and silence.

## House Rules

- Pets are welcome
- No smoking in the house
- No loud music or noise
- Checkout at 10am (unless otherwise arranged)

## About the house

### Arrival & departure times

Arrival time from 14:00 and departure time strictly 10:00, unless otherwise arranged to ensure enough time to clean the cottage before the next guests arrive.

### Keys

Molisho, the caretaker will meet you at the house upon arrival and give you the keys to the main house and the cottages on the property.

### WIFI

The WIFI password is **Roomkey1**. Please note that the internet in the area is very unstable.

### Water

The tap water is perfectly safe to drink.

### Fireplaces

- 1 x Wood Fireplace in the Sitting Room
- 1 x Wood Fireplace/Braai on the Patio
- 1 x Wood Fireplace/Braai under thatched roof

### Wood

Wood for the inside fireplace and braais is provided and should be in plentiful supply. Extra wood is located outside in the wooden trailer. However, if supplies run out, please feel free to contact **Donovan** on 066 285 5166. Please pay for the wood immediately upon receipt.

## Kitchen appliances

### Nespresso Coffee Machine

1. Fill the water tank at least halfway.
2. Turn the Nespresso machine on.
3. Place a cup of the proper size below the coffee outlet.
4. Open the capsule container.
5. Slide your Nespresso pod in the machine and secure the lid.
6. Press the button, selecting the correct cup size.
7. Eject the used capsule by lifting the lever

### Nespresso Milk Frother

1. Press for hot and hold down for cold to enjoy either a perfectly heated cappuccino or a refreshing iced coffee.
2. 120ml milk froth capacity, enough to prepare two Cappuccinos or one Latte
3. 240ml hot milk capacity

HOW TO CLEAN – place the jug directly under running water using a non-abrasive cloth making sure that the underside of the milk frother is dry. **Please be sure to wash the frother after each use.**

### Stove

The stove top is gas operated.

### Oven

The oven is operated by electricity. Just to be safe, please switch the geyser **OFF** before using the stove, as it puts quite a strain on the power supply.

### Dishwasher

It is not necessary to clean the house before departing but please do your own dish-washing as you go along. A dishwasher has been provided for your convenience. It is

recommended that the dishwasher is used only once a day. Dirty dishes get more difficult to clean with age and mildew quickly at the coast.

## Garbage

There are two bins provided in kitchen. Please use the bin bags provided for these bins. Should your bins get full, please ask the caretaker, Molsiho, to empty the bins for you.

## Cleaners

Please feel free to ask the caretaker, Moliso, to assist with cleaning, clearing braai area, washing dishes, etc. We encourage that you leave a tip if you have asked him to help during your stay.

## Electricity & solar batteries

Electricity is provided by solar panels and is also provided by Eskom.

Should you have any problems with the electricity, the solar panels or the batteries, please contact the caretaker, Molisho.

## Emergency Numbers

|                      |                       |
